

SECURITY INFORMATION

For your personal safety, the Massachusetts Lodging Association suggests the following:

1. Keep your door locked and use the night latch when you are in your guestroom.
2. Do not leave or display valuables in your room. Utilize the personal safe in your room.
3. Close your door by hand when exiting your guestroom. Do not rely on the door to shut automatically.
4. Never admit persons to your room with unsolicited deliveries.
5. Never admit unexpected facilities personnel to your room without verification from Front Desk staff.
6. Do not leave luggage unattended when checking out.
